2020 CHARITY GOLF DAY SPONSORSHIP OPPORTUNITIES

About Holeseekers and Wheels for Hope

Since 2012, the Holeseekers team (a group of four passionate golfing buddies) through their Charity Golf Days have raised over \$100,000 to support families with children with special needs. Holeseekers partner with charities that give 100% of the proceeds from the Golf Day to making the lives of WA families with disability better.

The funds raised have been used to support families with children who have special needs. The lives of over 50 WA families have been impacted through the Holeseekers team and their supporters simply enjoying a game of golf.

Since 2017 Holeseekers has partnered with Wheels for Hope, a small WA charity that receives no State or Federal Government funding. Wheels for Hope provides Wheelchair accessible vans for WA families who do not have suitable transport. The proceeds from the 2017 Holeseekers Golf Day were used to provide a loan wheelchair accessible van for seven year old Tyzaak, who was born with Cerebral Palsy, and his family. Tyzaak relies on his wheelchair for all mobility – the family’s car could not accommodate his wheelchair, which meant getting to school and to medical and therapy appointments were a challenge, and often the family did not go out as it was ‘too hard’. Now with the Wheels for Hope Van, it’s no longer a question of if they are going out with Tyzaak...but where! Funds from the 2018 and 2019 Golf Day were used to support the annual running costs for 3 vehicles in the Wheels for Hope fleet.

Holeseekers is again partnering with Wheels for Hope for its 2020 Charity Golf Day on **Friday 13 November 2020** at the magnificent Joondalup Country Club. We invite your support as we raise funds to provide wheelchair transport to support WA families with disability.
