About Holeseekers and Wheels for Hope

Since 2012, the Holeseekers team (a group of passionate golfing buddies) through their Charity Golf Days have raised over \$175,000 to support families with children with special needs. Holeseekers partner with charities that give 100% of the proceeds from the Golf Day to making the lives of WA families with disability better.

Holeseekers is again partnering with Wheels for Hope for its 2023 Charity Golf Day on **Friday 10 November 2023** at the magnificent Joondalup Country Club. We invite your support as we raise funds to provide wheelchair transport to support WA families with disability.
